

Two Powerful Partners One Complete Solution

Modern benefits and human resources software that combines the latest enrollment and data integration technology with hands-on support. Hassle-free access to voluntary benefits from the number one company in voluntary insurance sales at the worksite.* A comprehensive, streamlined solution for your clients.

Aflac and AmWINS Advantage have partnered to provide integration options that meet your client needs:

- 1 Aflac Ease Solutions:** This integration option enables AmWINS Advantage to build our group plans on their platforms and own various parts of the benefits administration process. Through this solution, AmWINS Advantage serves as the system of record.
- 2 Everwell Integrations:** This integration option gives you and your clients core case build capabilities and access to a variety of Aflac insurance plans via real-time integration using application program interface (API) technology.

Aflac + **AmWINS Advantage** = **Flexible Benefits Administration**

Aflac

- Voluntary insurance plans provide cost-effective solutions for accounts with as few as three lives as part of your comprehensive client benefit strategies
- Enrollment communication support, featuring Aflac Certified Benefit Counselors, is available to help drive employee awareness, engagement and enrollment participation
- Strength and stability, reinforced by high brand recognition with employers and consumers, help promote better enrollment outcomes

AmWINS Advantage, powered by WeCare

Four key pillars of support deliver improved account service and satisfaction:

- WeCare online enrollment and eligibility
- Online inforce policy management
- Facilitation of billing, administration and premium collection
- Easily accessible, trained customer care representatives

Get started with Aflac and AmWINS Advantage today! Talk with your AmWINS Advantage representative or Aflac broker sales professional to learn more and leverage this powerful partnership.
